Further details about the Group's activities are available from the NCRI Clinical Studies Groups Secretariat. Tel: 0203 469 8582 email: ncricsg@cancer.org.ukPlease note that the NCRI CSG Secretariat is an administrative office and does not provide medical advice on treatment or trials. If you are a patient seeking information on our studies please visit the NIHR Portfolio database of studies: http://public.ukcrn.org.uk/Search/Portfolio.aspx?Level1=1 Or the UK Clinical Trials Gateway: http://www.ukctg.nihr.ac.uk/default.aspx Alternatively if you would like some advice about participating in studies please contact the Cancer Research UK information team: http://cancerhelp.cancerresearchuk.org/ or phone them on: 0808 800 4040
The Coordinating Centre is a consortium of the University of Leeds, Leeds Teaching Hospitals NHS Trust, and the Medical Research Council Clinical Trials Unit. It is funded by the National Institute for Health Research with additional support from and collaboration with the National Cancer Research Institute and Cancer Research UK.
